!!IMPORTANT NOTICES!!

Team captains please make sure you write in the amount **each player on your team pays and the total** for the night for your team on the team summary sheet. This is how the funds are verified for each player and each team on a weekly basis, so it is important you complete the information for accuracy and to make it easier for the League Manger to compare the money when 36 envelopes are opened each week.

Team Rosters need to be completed and turned in for the below teams. **The final schedule will not be published until all team rosters are turned in to the League Manager.** The rosters are important to verify team names, team captains, and EVERYONE'S phone numbers and email addresses. Email addresses are more important this year because captains will not be receiving paper standings and notes as in the past - paper copies of standings will now only be posted at each location the Friday/Saturday of the week following play. However, more current information can be accessed on the web approximately each Tuesday of the week following play at BoiseValleyHorseshoeLeague.info. **WEB SITE IS NOW ACTIVE.**
