Advance to Playoffs

Above will show two most recent rounds & accumulated totals

Ties for advancement will be determined first by win/loss results of matches played against each other. If one team beat the other both times, that team will advance. If it was a split for wins, the two teams will have a match for advancement to the playoffs (race to 4) in a neutral location TBD by League Manager. Ties for placement only will be calculated the same way, except if there is a split for wins, the team with more wins against the other will be the higher position. If they tied for wins against each other, then the one with the higher total player points will be the higher position. If there are any three-way ties, further items will need to be considered.

NOTE: All team wins and losses were verified through round 15 on July 20, 2014. Individual recorded scores on team summary sheets were checked against data entered through round 13 by Terri Baldry on July 23, and rounds 14-16 were checked by Jade Bacus on July 25, 2014. Corrections have been entered and noted. Rounds 17 & 18 will be carefully reviewed as they are entered.
