BOISE VALEY HORSESHOE LEAGUE

2021 TEAM RANKINGS BY DIVISION - As Of: 08-05-21

Includes Data thru ROUND #10 (All Divisions) - FINAL

Prepared 08/06/21 by League Manager - Jade Bacus (208) 602-3556

Above will show at least the two most recent rounds & accumulated totals.

Ties for advancement will be determined first by win/loss results of matches played against each other. If one team beat the other both times, that team will advance. If it was a split for wins, the two teams will have a match for advancement to the playoffs (race to 4) in a neutral location TBD by League Manager. Ties for placement only will be calculated the same way, except if there is a split for wins, the team with more wins against the other will be the higher position. If they tied for wins against each other, then the one with the higher total team ringer percentage will be the higher position. If there are any three-way ties, further items will need to be considered.
