!!IMPORTANT NOTICES!!

Another 20 teams turned in their team rosters. Thank You. **We only have 3 teams that have not turned in the roster** so I will contact them this week. Data for Team Rankings and Weekly Team Matches are complete through Round 2. I am not completely holding up on doing individual stats because of the missing rosters. The Individual By Team and Individual by Percentage are complete through Round 2. However, I was not able to finish the Top 10 or High Men/Women stats. I am having surgery on my left hand on May 2nd so be patient the next couple of weeks as I might be delayed doing all stats. Please take a quick look at your individual stats and don't hesitate to let me know if you find any mistakes (text me at 208-602-3556). A lot goes into completing the first couple rounds, as all the formulas and player lists have to be reformatted and verified.

Weekly Fees: 29 players have paid in full for the season and 15 have paid for at least half the season. There are still a few stragglers that have not paid in full for the first 2 weeks, so captains please get that caught up in Round 3. Thanks
