!!IMPORTANT NOTICES!!

After multiple reminders and individual texts to captains, I have finally received all the team rosters. THANK YOU. Data for Team Rankings, Weekly Team Matches, Individual By Team, and Individual by Percentage are complete through Round 3. However, I was not able to finish the Top 10 or High Men/Women stats. Had surgery on my left hand on May 2nd and get stitches out on the 16th. Although a little slow, I am able to enter stats, but still behind on the highs. Will be ready by next week. Again, keep an eye on your individual stats and don't hesitate to let me know if you find any mistakes (text me at 208-602-3556). I have compared all the summary sheets to the entries for the first 2 rounds. **There were a few typos and all have been corrected.**

Weekly Fees: As of 2nd round 29 players had paid in full for the season and 15 had paid for at least half the season. Players continue to pay in full or for partial season and that is greatly appreciated. However, there are still a few stragglers that have not paid in full for the first 3 weeks, so captains please get all your players caught up in Round 4. **As of round 4, everyone should have paid at least \$20. Total paid to date by each player is in far right section of team standings.**
