**!!IMPORTANT NOTICES!!**

Data for weekly matches and team ranking through Round 6 is complete. **However, Individual By Division and Team, Individual Percentage, Top 10 and High Men/Women stats will not be published for Round 6.** I had a family emergency over the weekend, was not able to collect all the envelopes until Monday, and simply did not have enough energy to finish everything late Monday night. Also, one team did not play their BYE as required, so those individual stats can't be entered until next week. If possible, I will try to get entered and possibly published later this week. Thanks for your patience and understanding.

Weekly Fees: There are still a few stragglers that have not paid in full for the first 6 rounds, so captains please get all your players caught up in Round 7. **As of round 7, everyone should have paid at least \$49. Total paid to-date by each player is in far right section of individual team stats.**
