BOISE VALLEY HORSESHOE LEAGUE

2022 WEEKLY MATCH INFO for Week Ending: **07-21-22**

Includes Data for **ROUND #13 (All Divisions)**

Prepared **07/22/22** League Manager - Jade Bacus (208) 602-3556

ITS UNFORTUNATE THAT 3 TEAMS deliberately decided not follow the instructions regarding BYE locations without contacting the league manager to request a waiver (Sodbusters on 06/16, X Factor on 07/13, and X's and O's 07/21). After contacting each of the captains, none of those teams had a satisfactory reason for not playing at the designated location. Two other teams were authorized to modify playing arrangements only after discussing special circumstances with the league manager and obtaining official waivers (Shoe Chuckers & A Bitch on 06/01 and Right There!! on 06/28). Details for those two allowances can be provided if you want to contact the league manager directly. Others that requested a change were not approved. **The actions of those three teams not abiding by the scheduling requirements, some captains continuing to not adhere to substitute player rules, plus some additional issues this season, may be cause for the current league manager to consider no longer managing the league after 2022 season regardless if someone is capable and accepts the position. I have managed this league for the last 16 years based on what's best for the entire league and the sponsors, not a select few that believe they are exempt from requirements.** Also, the loss of sponsoring locations has added complications to keeping the organization alive, especially after the affects of Covid. There are only 5 locations left, and one of those will likely be gone at the end of 2022. Attempts to add locations this spring were not successful. Although not all locations are ideal, those 5 sponsors have stuck in there with our group, even though not all players are necessarily supportive, understanding, or appreciative of their efforts or realize the attempts by the league manager to improve playing conditions this year at her own expense and a good amount of actual physical work. There were specific teams/players that provided extra help to get pits ready for play this year.

Weekly Fees: **There are still a some players that have not paid in full for 13 rounds.** Captains are responsible to make sure all their players are caught up in the final round (#14), **no exceptions.** **As of round 14, everyone must have paid at least \$98. Total paid to-date by each player is in far right section of individual team stats. PLEASE write the amount each player pays in the appropriate box on the summary sheet. NO INDIVIDUAL SHOULD HAVE PAID LESS THAN \$98 at end of season unless they played less than 14 rounds and there were more than 4 players on their team.**
