!!IMPORTANT NOTICES!!

Good News. A lot of players paid for the full season on the first week - that is very much appreciated and the Alibi has already paid their sponsor fees. I had a few teams last year that did not pick-up their paybacks. Those amounts are being credited towards their 2023 season fees and are included with the amounts paid for round 1 of this season.

The first week was a bit ugly with the weather. We normally expect rain, but not snow. Thanks to all of you as I know it was not the best start to the season. Charlie Browns was able to get lights installed and pop-ups placed by Wednesday night, so a big thank you to We "B" Shoeing and Half Rack Homies for their patience and understanding on Tuesday.

The below teams that did not turn in their team rosters the first week. **Please make sure to include them in your envelope the 2nd round as I don't want to apply the \$5 per week fine.** Thank You
