**!!!IMPORTANT NOTICES!!!**

There are still players behind in their fees. We are headed into Round 12 and only have 3 rounds left so please please **everyone get current on your fees in Round 12** and pay every round for rest of season. There are some teams that do not have sufficient payback to cover their shortages and I will not personally cover them this year. Besides it really makes it much harder to calculate everything at end of season when there are shortages. There should be no reason for any players to be behind in their fees. Thank You
