

BOISE VALLEY HORSESHOE LEAGUE

2025 SEASON **NOW FORMING**

SPONSORING BARS - We have 4 total

Returning sponsors are: Jim's Alibi (2 pits), Charlie Browns (1 or 2 pits), Little Dutch Garden (2 pits), and Vista Bar (2 pits).

Note: Charlie Browns will keep the 1 original pit and continue with the 1 temporary pit installed last year if 2 are needed.

Sponsor Fees paid by the sponsoring bars. \$55/team in 2019/2020, no charge in 2021, resumed but reduced to \$40/team in 2022 and 2023, and reduced to \$35/team in 2024. Fees were reduced because so few sponsors were left and in order to help with flux in the industry. Modifications to trophies/awards were necessary each time the sponsor fees were reduced. We found cost-cutting methods and alternatives starting in 2023. Further changes may be necessary in 2025 because the long-term trophy supplier has closed his business.

LEAGUE TEAMS

At least 4 people per team

All Men, All Women, or Mixed Gender

Best number is 32 total (8 on Tue, 16 on Wed, and 8 on Thu)

Season starts in Mid-April - Runs to end of July with playoffs 1st week of August followed by a campout, awards, and tournament towards end of August. It is CRITICAL that all teams/players understand they are required to commit for entire season!!

Final signup ends March 7th, 2025. The sooner you contact us, the better the chance is of getting a spot. See 2025 Schedule of Events.

Maximum 8 teams per division with no more than 2 teams at each location per night (2 pits). Have 4 sponsoring locations. If unable to fill all team spots, worst case scenario is we can play with 6 teams in a division. Divisions with 6 teams will play 15 rounds and those with 7 or 8 will play for 14 rounds. Divisions with 7 teams will have 2 byes during the season and they will pay fees for that week and go to scheduled location to throw for stats. No wins will be assigned for byes and placement will be based on percentage of possible wins until season ends.

Weekly fees have remained the same for several years at \$7 per person per night (\$28/team). This is subject to change in 2025 depending on number of teams, but would raise to no more than \$8. League funds allocations may need modified to cover increases for equipment, league expenses, and the end-of-season event.

**** 24 teams from 2024 are returning and we have 2 new teams****

Tue A Division has the minimum of 6 teams filled - **could still fill 2 more team spots** (1 open spot at Jim's Alibi and 1 open spot at Vista Bar)

Wed B Division has the minimum of 6 teams filled - **could fill 2 more team spots** (2 open spots at Vista Bar)

Wed C Division has the minimum of 6 teams filled - **could fill 2 more team spots** (2 open spots at Charlie Browns)

Thu "D" Division - This division is full with 8 teams.
