Because not all 2025 divisions have same number of possible wins, need to use % of wins.

2025
CHAMPS

Because there may not be enough playing locations, some adjustments may have to be made.

In 2025 TEAMS with higher win percentage than their opponent will have the HOME TEAM advantage. If tied for win percentage, higher team ringer avg is HOME.

REMEMBER -- Start with GAME #2 and play the TEAM GAME only if necessary to break the tie. It's a "RACE to 4" (i.e. the first team to win 4 games is the WINNER of that match).

Keep this format handy. The League Manager will be calling Team Captains of the qualifying teams during the week-end of July 28th (Sat or Sun) to tell you what teams go where and you can complete your copy of the form. The winning teams each night must call the League Manager to report their scores so the teams can be notified where they go the following night. Jade Bacus - 602-3556 (League Manager).

IMPORTANT NOTICE: There are currently no fees collected during the playoffs - fees are only collected during the regular season and paid back to each division based on games won. The only award during the playoffs is the championship plaques for each player and the sponsor, plus a roving plaque that stays with the sponsoring bar following the playoffs and until the champs are determined for the next year (i.e. August of 2024 until August of 2025).
