!!!IMPORTANT NOTICES!!!

The 8 missing envelopes for round 5 have finally been found. All team wins have been verified, all individual stats have been officially entered, and fees paid have been updated. Player percentages will now be accurate and Top 10 and Men/Women Highs will properly reflect any changes the next time it is published. If there is time, those special highs will be recalculated for Round 12 so please disregard those special highs that were published for Round 10. These special highs will be published for sure for the final Round 15. All reschedules have been played so all stats include info from Rounds 1 through Round 12.

Any fees in the arrears **must be caught up by (Round 13)**. A list of all players that are behind in fees after Round 12 has been calculated and captains/players will be notified. Counting round 12 that was played (July 7 thru 9) we only have 3 rounds left, so please get your fees up-to-date now. Remember you can use Venmo to pay if that is easier (see QR code in team binder). If you write a check, it needs to be made out to **JADE BACUS**, **not BVHL**, as my credit union will not accept those written to BVHL.

23 of 26 teams have turned in their team rosters - they were due the first round. I have nicely asked for weeks now - The missing team rosters are: **Whipper Snappers**, **H & H**, and **Dead Last**. I realize I can probably determine who the regular players are, but I cannot be sure of the designated subs. Also **Pole Dancers** turned their roster in, but it only listed the team captain information. I need all the requested information. **If Whipper Snappers and Dead Last can text me their official designated subs I can record that information as that info is important for the playoffs.** FYI the rules allow me to charge you \$5 per week until the Rosters are turned in starting with Round 1. All 4 bars have paid their sponsor fees. THANKS
