

BOISE VALLEY HORSESHOE LEAGUE

2026 SEASON

NOW FORMING

SPONSORING BARS - We have 4 total

Returning sponsors are: Jim's Alibi (2 pits), Little Dutch Garden (2 pits), and Vista Bar (2 pits). We will be welcoming a new sponsor, VFW (Veterans of Foreign Wars, Capitol City Post 63-2 brand-new pits).

Sponsor Fees paid by the sponsoring bars. Has gradually been reduced from \$55/team to \$35/team. Fees were reduced because so few sponsors were left and in order to help with flux in the industry. Modifications to trophies/awards were necessary each time the sponsor fees were reduced. We found cost-cutting methods and alternatives starting in 2023. Further changes were necessary in 2025 because the long-term trophy supplier closed his business. We will continue to research alternative options for trophies/awards.

LEAGUE TEAMS

At least 4 people per team

All Men, All Women, or Mixed Gender

Best number of teams is 32 total (8 on Tue, 16 on Wed, and 8 on Thu)

Season starts in Mid-April - Runs to end of July with playoffs 1st week of August followed by a campout, awards, and tournament towards end of August. It is CRITICAL that all teams/players understand they are required to commit for entire season (14 or 15 rounds)!!

Final signup ends March 6th, 2026. The sooner you contact us, the better the chance is of getting a spot. See 2026 Schedule of Events.

Maximum 8 teams per division with no more than 2 teams at each location per night (2 pits). Have 4 sponsoring locations. If unable to fill all team spots, worst case scenario is we can play with 6 teams in a division. Divisions with 6 teams will play 15 rounds and those with 7 or 8 will play for 14 rounds. Divisions with 7 teams will have 2 byes during the season and they will pay fees for that week and go to scheduled location to throw for stats. No wins will be assigned for byes and placement will be based on percentage of possible wins until season ends.

Weekly fees have remained the same for several years at \$7 per person per night (\$28/team). This is subject to change in 2026 depending on number of teams, but would raise to no more than \$8. League funds allocations may need modified to cover increases for equipment, league expenses, and the end-of-season event.

**** 24 out of 26 teams from 2025 are returning, we have 2 potential new teams****

Tue A Division has the minimum of 6 teams filled - could still fill 2 more team spots.

Wed B Division has the minimum of 6 teams filled - could fill 2 more team spots.

Wed C Division has the minimum of 6 teams filled - could fill 2 more team spots.

Thu "D" Division - This division is full with 8 teams.
