

The Boise Valley Horseshoe League bids a very sad farewell to one of our oldest playing establishments. May 3rd marked the last time our members played a match there, and the landmark business closed on May 12th, 2018.

Going back to the beginning of the BVHL, many teams have called Turner's home. All of those who knew the true heart of that place, share good memories of matches played there. This represents only a few of those teams. Turner's Bandits were the last.

A special thanks to John the owner, third generation of the family owned business of 75 years. He will be off fishing and camping now. With heavy hearts, we say goodbye to the wonderful long-term manager JC (32 yrs) and his dedicated crew of bar-tenders – Tammy (31 yrs), Bill (8 yrs), Kay (5 yrs) and Erin (2 yrs). They always served up a great drink and never without a smile and good story. They will all be greatly missed and we wish them happiness and good luck.
